AGREEMENT FOR ELECTRIC SERVICE

The undersigned (the "Customer") hereby makes application and agrees to purchase electric service from NAVASOTA VALLEY ELECTRIC COOPERATIVE, INC. (The "Cooperative") upon the following terms and conditions:

1. Service. Cooperative agrees to use reasonable diligence to provide electric utility service to a point of delivery at Customer's service location. The electric service contracted for herein is to be provided and taken in accordance with the provisions of this Agreement and Cooperative's tariff. SAID TARIFF IS A PART OF THIS AGREEMENT TO THE SAME EXTENT AS IF FULLY SET OUT HEREIN AND IS ON FILE AND AVAILABLE AT THE COOPERATIVE'S OFFICE IN FRANKLIN, TEXAS. Any tariff provision (including rates) may be changed by order or consent of any regulatory authority having jurisdiction thereof, whether or not at the request of the Cooperative. The Cooperative's LIABILITY is LIMITED as provided in its tariff.
2. Deposit. All applicants will be assessed a full deposit. This deposit can be lowered or waived when an applicant provides a social security number for the purpose of positive identification and risk assessment through a review of credit history.
3. Payment. Customer agrees to purchase and pay for electric service in accordance with Cooperative's tariff. Periodically, Cooperative will render to Customer a statement of services rendered. Customer agrees to pay the total amount shown on such statement within sixteen (16) days from its date. Payment shall be made to Cooperative at its office in Robertson County, Texas.
4. Breach. Upon failure to make payment or perform any obligation under this agreement the Cooperative shall have the right to discontinue service as well as other remedies that may be available by law.
5. Customer's Installation/Safety. Customer warrants that his or her installation (including all conductors, switches, equipment, wiring, and protective devices of any kind) is constructed and will be maintained in accordance with the National Electrical Safety Code of the American Standards Association as well as applicable laws or ordinances. Customer understands that electrical conducted through the Cooperative's facilities may be dangerous and agrees that Customer shall not permit any person on Customer's premises to contact or come in close proximity to Cooperative's facilities.
6. Entire Agreement. This agreement constitutes the entire agreement between the parties and supersedes all prior agreements between Customer and Cooperative for the service herein described. Customer agrees the Cooperative, its Agents and Employees, have made no representations, promises, or any inducements, written or verbal, which are not contained herein.
7. Lock on Gate. Customer allows Cooperative access to customer's property for electrical purposes. If a gate is now or at any time installed on the property the customer realizes that Cooperative will place a company lock on the chain for access.
8. **Cooperative Permanent Residential Agreement.** Service extensions to permanent-type members are given an Allowance of \$2,000 in aid to construction. The consumer must understand that they are give **one year** from the time the line is constructed to become a permanent dwelling. In the event this does not occur the allowance of \$2,000 will **not** be given and the consumer will be expected to pay the **full cost** of aid to construction. Your signature on the line below is acknowledgement that you understand the provision of the agreement. Permanent dwelling is considered a residence that is dwelled in year round not a weekend home, barn or water well service.
9. Aid to Construction. Customer shall make a non-refundable contribution in aid on construction in the amount of \$_____.
10. **Cooperative Non-Residential Agreement.** Service extensions to non-permanent type member are given an allowance of \$450 in aid to construction. The consumer must understand that if the estimate for services given goes over the estimated cost of construction once completed you will be billed for the additional cost. Non-Permanent type service is considered a weekend dwelling or a deer camp, service to water well, barn, garage, shop, etc. Your signature on the line below is acknowledgement that you understand the provision of the agreement.
